Small but fine, this Bistro impresses not only with its ambiance, but also with its selection of the typical, delicious dishes at the typically small prices, You can also unwind at the bar with a [cool beer](#) or other alcoholic and non-alcoholic drinks. Without doubt, the right drink enhances every meal; with this thought in mind, this gastropub offers a rich variety of fine and regional alcoholic beverages like beer or wine, The guests of the restaurant are also thrilled with the extensive variety of differing coffee and tea specialities that the establishment offers.
