Here you can find the menu of Kobe in Luxembourg City. At the moment, there are **17** menus and drinks on the menu. You can inquire about seasonal or weekly deals via phone. What User likes about Kobe: they serve a vegetarian plate that can be made vegan. 20 pieces 8 different types. the plate was really colorful and the taste was really good. perhaps the most creative Vegan Sushi aromas I've ever had, not just avocado and gurke. [read more](#). What User doesn't like about Kobe:

We were visiting Kobe on a public holiday so I understand that one might not be happy to have to work, however this I not consider it as a reason to not be friendly to the clients. Additionally we were often rushed and had to take our food « to go » because the restaurant was closing while we were halfway through our meal, I would then rather prefer to have been told that we cannot eat there then rushed away halfway... [read more](#). In the Kobe from Luxembourg City, a lot of fresh vegetables, fish, and meat are used to prepare easy-to-digest, flavorful Japanese dishes, on the menu there are also a lot of **Asian dishes**. You can also look forward to *delicious vegetarian cuisine*, Besides, the creative blend of different meals with new and sometimes adventurous products is appreciated by the visitors - a beautiful case of Asian Fusion.
