Das Restaurant aus Bacharach bietet **22** verschiedene **Menüs und Getränke auf [dem Menü](#)** zu einem durchschnittlichen Preis von 54 € an. In Bacharach, a quaint town where vegan options are limited, this restaurant stands out as a gem for those seeking plant-based meals. With a separate entrance on the first floor of a hotel, the restaurant offers a vegetarian menu with a variety of vegan options, including a vegan snack plate, plant-based soup, burger, and sorbets for dessert. While some customers have experienced issues with non-vegan ingredients being served accidentally, the restaurant has promptly rectified these mistakes. The staff is friendly and accommodating towards vegan requests, offering creative and fresh dishes such as a jackfruit burger patty and vegan wine. Despite being on the pricier side, the restaurant provides a welcome dining option for vegans in the area. A highlight is the availability of a fixed 4-course vegan menu that is always on offer and includes delicious treats like vegan Crème Brûlée. Overall, this restaurant is a great choice for those looking for vegan options in a region where such choices are scarce.
